Hi PKs from East and West Malaysia,

Welcome to our 3rd PK retreat in Malaysia! This is our first PK retreat held in Sarawak. The reason why we have held this year's PK retreat in Sarawak instead of West Malaysia is because God has shown us the importance of Sarawak in the light of His plans for this wonderful nation and He wanted to do something significant there. So in obedience to His leading, we have switched everything to Sarawak believing that the Lord will move powerfully amongst the Pastor's children and impact the nation through them in the years ahead.

Pastors' Kids have potentially double the anointing of their parents as in the case of King David and Solomon. We strongly believe that the PKs should reap the blessings resulting from the sacrifices of their parents in serving the Lord. And because of this potential, the enemy makes a special effort in hampering and discouraging PKs from the calling and destiny. The devil knows that he could hinder the effectiveness of pastors by negatively impacting their families, particularly their children. This is why we have put so much effort and focus in ministering to PKs around the world.

We sincerely hope that you will come with an expectation that God will pour out His Spirit in unprecedented ways and raise a new generation of mighty warriors for His kingdom. We believe that all your lives will be greatly transformed by the tangible presence of God that has been very evident in our past PK retreats. From our experience, you will meet other PKs who have the same dreams and challenges as you. This will enable you to encourage and network with one another, and make you realize that you are not alone in your journey as a PK.

We urge you not to allow anything to distract you from attending this unique retreat specially designed for children of pastors. You will leave the retreat never the same again. This is one retreat in your life that you would not want to miss!

Thanks for your participation and faith in what the Lord has in store for you.

Love and blessings in Jesus always,
Ps Roland & Evelyn
